

Taran Agnew

Hello, my name is Taran Agnew and it is a pleasure to have you all here. I am here to let you all know how fun Adaptabilities is. I go to Adaptabilities every Thursday for teen night and over spring break I attended the spring break camp. And I'm really excited about this summer because I am going to Adaptabilities for a summer camp too. We do all sorts of stuff like going out for rock climbing, movies, arcade and bowling.

Sometimes we stay at the centre and play the Wii, cook together, watch movies, play games, roast hot dogs, and my favorite is when we paint about how we feel and listen to music. I look forward to my Thursday nights at Adaptabilities, they are lots of fun to go to. I met lots of friends since I started coming to Adaptabilities. Thank-you for listening to me and enjoy your evening. Good Night.
